

Redemption

Bbm7 Db Ab Eb
Somewhere amidst all my insecurities

Bbm7 Db Ab Eb
I lost sight of you and also my peace

Bbm7 Db Ab Eb
Smiling all the while and questioning as to why

Bbm7 Db Ab Eb
I felt these jaded doubts and hoarded away life

CHORUS:

Db Eb
Redemption you've given me

Db Eb
So much joy and so much peace

Db Eb
And Lord take me to my knees

Db Eb
Cuz it's for you, Lord, and not for me

Bbm7 Db Ab Eb
Expectations of what I'm supposed to do

Bbm7 Db Ab Eb
I hold them close to me and often let them rule

Bbm7 Db Ab Eb
Bring me once again, to your sturdy side

Bbm7 Db Ab Eb
As I prayerfully let you be my guide

CHORUS

BRIDGE:

Fm Db
And this time, like the others, I will fall again

Fm Db
And this time, like the others, You will be my friend

Fm Db
And this time, like the others, I will be afraid

Fm Eb
And this time, like the others, You will show the way

CHORUS
